

Patrick Atkinson

Associate

Patrick Atkinson, GML Associate, has a background in heritage place management and history. He holds a Master of Museum and Heritage Studies from the Australian National University and a Bachelor of Arts majoring in History from the University of Sydney.

Patrick has over five years' experience working with public and private sector clients in NSW and the ACT on projects ranging from large priority infrastructure to conservation advice for individual heritage places.

Since joining GML Patrick has developed his skills in archival research, heritage management strategy, and conservation policy making for historic places and landscapes. He has a passion for public history and heritage management.
