

## Briannon Dudek

### Heritage Consultant, Archaeologist

Briannon Dudek, GML Heritage Consultant and Archaeologist, is a listed Heritage Advisor under the *Aboriginal Heritage Act 2006* and has experience working under the *Heritage Act 2017*.

She has developed a strong focus on lithic technology and Aboriginal cultural heritage management. As part of her Honours degree, Briannon undertook a pXRF analysis of edge-ground axes held within collections on Yung Balug Country to explore intra-assemblage variation.

Briannon has six years' experience working as an archaeologist in Victoria and has been involved in manual and mechanical site excavations, surveys, artefact management, and contributed to all stages of cultural heritage management plans and other heritage assessment reports.

At GML, Briannon works on a range of archaeological and heritage projects at all stages, contributing to project management, consultation, background research, report writing, and fieldwork.
